Notes: 1) because of refinement in data gathering, comparisons to BD's 2004 numbers are not applicable. 2) market share numbers are BD estimates based on: BD reporting and interviews with franchise companies, bottlers and industry analysts; selected corporate and published reports; consultants; independent data services. Note BD estimates are not, and may differ from, market share data published by franchise companies/bottlers in some cases. 3) share data includes all corporate carbonated soft drink products. 4) PepsiCo totals include 7UP except in US and Puerto Rico.
